January 6th 08

“**Back In The Saddle Again**” is an old western song and its’ theme is fitting for the Deacon as he gets back from a brief time-off over the New Year. It’s good to be here looking ahead to more excitement in our little group this year. Again a big “Thank You” for all the love shown through many gifts, cards, and special comments, during this special time. Praise God for His goodness.

We don’t know who got to sleep, but Gwen tells us that 18 people were here for the “Lock-In” on the 29th. It was great that five visitors were in that group. **“ThanX” Gwen, for another great job.**

Congratulations to Nancy Devan for winning the Christmas Eve drawing for the grand prize for perfect attendance at the Wednesday Advent and Christmas Eve services. There were eight qualifiers.

Bible Study is off and running this Wednesday. Light meal at 6:30 and Men and Women get back in the Bible for more edification. Plan now to attend and get in the habit of being here each Wednesday.

Ash Wednesday is early this year. The 6th of February will again see us having a special Communion Service with the markings of ashes and wearing of Sack Cloth.

Memphis people have good memories as the office is starting to get phone calls for free utilities.

Cynthia Conley sends her love and wishes for a good New Year to all of us. She is still waiting to win the “Big One” so she can fly us all out to see her.

It now time to start working on our commitments for God’s service here at Amazing Grace. Your Pledge for this year is another showing of your love for God and He gives thanks for your goodness to Him.

AWANA begins again tonight at 5:00p.m.. If you have time to come and lend a hand see David today and see how you can help.

Have you checked our Website lately or told a friend to look us up? We would like very much for members to make contributions to our monthly Newsletter, the 15th of each month is the deadline. So do it “write” away!

What direction are you going? If you need to change directions and are not sure where to go, look to God, He is better than “On Star”.
