

**“Amazing Tidbits”** CXXXVII  
January 27<sup>th</sup> 08

**Today is another important day** for our little family as we make a major decision in our future. As we commit to a Call to a new pastor, we also commit to support our ministry here with faithful giving of our talents. Pray to God that He will fill your spirit with overpowering love for Him to meet this challenge.

**Again, I thank you for a GREAT example of Grace, (i.e. Undeserved love) on Saturday night last week.** What an event, I am still not sure what happened. What a surprise.

**Find a buddy or two that you can team up with on Sunday evenings.** Find someone that can spare an “every other” schedule and come and be a teacher’s helper.

**Our Lenten Season is upon us; it all begins with Ash Wednesday on the 6<sup>th</sup> of February.** The theme for this year’s Lenten Services is “Behold the Lamb of God”. God will give you twenty-four hours again that day, give Him back two.

**We have just a few more days left to take the children out on their witnessing trip for this month. Children be sure and call your name that you drew.**

**The Deacon will be out on Monday** attending the “Pastors Pre-Lenten Retreat.” He will be available on his cell 603-9448, however.
