

“Amazing Tidbits” CXLI
February 24th 08

We are getting ready to be ready for the arrival of Pastor Mike and Jeanne. He is ready to hit-the-ground-running as he will be attending the March Council meeting and I do believe he will have some things on his mind about our future with him. That is exciting news. We at Amazing Grace are all about being on the cutting edge and I feel like we will be led in that direction.

Pray for their safe trip here on the 10th and that his ministry here will be blessed as we commit to work with him in spreading the Good News.

At this writing the Gofor is sure that our shed is in place. And we thank God for those that made contributions to make that possible.

The Steeple has been ordered and “should” be in place for the 16th.

Movies at AGLCMS, does that have a good ring? As part of our Outreach Program we are viewing some movies that we can show and invite the neighborhood. It would be great to have the ability to see a movie here and not be found supporting the trash that is out in the theaters today.

Don’t forget to log on to www.churchgrowth.org/cgi-cg/gifts.cgi to find your gifts that God has given you. After you get yours make a copy for our Stewardship Committee. You’ll be amazed what God has given you for your care and use.

This Wednesday’s sermon topic is, “The Lowly Lamb of God”. Plan now to join in these very interesting topics and show how you feel about being saved by the cross. To date none of the attendees have been injured. All are glad they came.
